Experience

ZoomInfo | *Integrations Support Specialist II / CX & SaaS Integrations Specialist* Jun 2024 - Mar 2026

- Owned enterprise and mid-market integration support across CRM, MAT, ATS and GTM systems while maintaining 99% SLA compliance.
- Program-managed a C-suite visible CRM remediation project involving 100,000+ data mismatches, achieving 100% field, data & integration rectification.
- Resolved complex API, authentication, sync, field-mapping, enrichment, and data-quality issues using SQL, Snowflake, Amplitude, and Datadog.
- Built AI-assisted workflows, trained Support/CS teams, and improved ticket triage, reducing Integrations dependency by 25%+, saving one workday per week, and improving TTFR by 52%.

FourKites | *Network Growth Specialist / Customer Onboarding, Implementation & Integrations* Jan 2022 - May 2024

- Led USPS implementation on the FourKites platform, coordinating internal teams and 100+ affiliated entities across onboarding, compliance tracking, and post-launch support.
- Managed onboarding, platform configuration, escalations, compliance monitoring, & adoption support while consistently achieving performance goals.
- Resolved 95%+ complex client issues by removing onboarding blockers, coordinating cross-functional support, & ensuring timely implementation.
- Partnered with Product & Engineering through Agile workflows and customer feedback to improve adoption, roadmap priorities, and customer-impacting fixes.

Byjus | *Product Specialist / Customer Support & Escalations Specialist* May 2020 - Dec 2021

- Acted as a senior customer-facing product specialist, supporting digital learning customers through product guidance, troubleshooting, issue diagnosis, and solution recommendations.
- Managed high-priority L3 and social media escalations, partnering with internal teams to resolve product issues, communicate customer feedback, and improve service quality.
- Trained and onboarded new employees on product workflows, escalation handling, customer communication standards, and support best practices.
